PLANNING YOUR TRIP

FINDING US

We're located in beautiful West Somerset, nestled between Exmoor and the Quantock Hills. This rural location means planning your journey is essential.

BY CAR

Firstly, if you're using a SAT NAV system, our postcode is TA4 4RF, we are located on the Roughmoor Industrial Estate in Williton (this is sometimes known as Williton Industrial Estate).

If you're looking for old fashioned directions then we suggest travelling to us using the M5. Exit at either Junction 23 (Bridgwater) if travelling Southbound or Junction 25 (Taunton) if coming from Devon or Cornwall. Either route will take approx 25-30 mins from the motorway, from either junction head towards Minehead. If you are from the Bridgwater junction you will enter Williton having passed over a small bridge, the Industrial Estate is located at the next right-hand turn.

From the Taunton junction you'll enter Williton and need to take the 2nd exit at the mini roundabout, continue for 0.8 miles through the town and the Industrial Estate turning will be signposted on your left. If you go over the small bridge, you've gone too far!

Once turning onto the industrial estate follow the road without turning off and we are at the very back of the estate. If you get lost or need any help finding us, give us a call

BY TRAIN

Our nearest mainline station is Taunton. We are 15 miles from the station so we'd recommend a taxi from here.
